Volunteering

is a work

of heart!!!

From the RSVP Director:

Greetings!

ON August 1st, 2017 I started a new chapter in my life! I am excited about this chapter and the opportunities ahead! I will spend a little time telling you about me and hope to hear from all of you soon!

I was born and raised in the big town of Sweetwater, Oklahoma! I have spent the majority of my life as a Respiratory Therapist with a brief detour as a Health Career Instructor at a Career Tech Center close to home. Home has been Watonga for the past 37 years! I have great family support including my husband Jeff and two sons (Vinny & Eric). I also have two grandsons who fill my heart with joy!

Throughout my life, some of the greatest blessings came from Seniors and Retired people. They have mentored me on many occasions. I accepted this position knowing that it would be a time of tremendous growth. I am eager to listen to your ideas about how working together we can impact your community. I appreciate your willingness to volunteer!

I look forward to hearing from you!
